Ackton Pastures Primary Academy
Lunchtime Supervisor

We are currently a Trust of nine primary academies and are supporting other local primary schools as they look towards joining us. We envisage our family of schools growing with like-minded schools adding to our strong partnership. Our vision is to develop a community of schools working together to achieve excellent outcomes for all.

We believe in investing in our people to achieve this. As a Trust we firmly believe that what we all do in schools is for the daily benefit of the children. We build strong relationships with our communities and have high expectations for all. Everyone in our Trust should feel successful and this extends to all pupils and staff.

Our schools work in partnership and collaborate with each other. This helps us get better individually and collectively and means we are all developing all of the time. The Trust supports staff to remove work that is unnecessary or does not benefit our children. All our schools are calm and purposeful environments where staff and pupils have a voice. We focus on what research tells us works for children and are always looking to innovate and find new, creative solutions for improving their educational experience. This enables us to live out our aim of inspiring excellence in everyone.

If you are someone who is committed to children achieving the very best and like to work in a team, in schools and across our Trust, then we would like to hear from you. Please do get in touch if you have any questions or want to know more.
