Friday 16th April

Dear Parents and Carers,

Welcome back to the Summer term! I hope you all enjoyed a fantastic Easter with your families and managed to spend some quality time together. We have had a fantastic first week back and the children have started their new topics with great enthusiasm. Reception are learning about the world around them and have been fascinated by the tadpoles which arrived in their classroom over the Easter Break. Key Stage One have started investigating 'Nurturing Nurses' and have been eager to share lots of fascinating facts they have learnt about Florence Nightingale and Edith Cavell. Lower Key stage Two have been exploring the wonders of Ancient Egypt and there has been much awe and fascination in Upper Key stage Two, as they begin to explore the ancient mysteries of Baghdad AD 900. On Wednesday, our whole school community learnt about the life of Prince Philip; we were so impressed with the empathy and care that the children showed when learning about his life and achievements.

Parent Consultations

Parent consultations will be held on Wednesday 21st and Thursday 22nd April between 3:30pm and 6:00pm. Miss Cusworth's parent consultations for Reception will take place on Monday 19th and Tuesday 20th. Please make sure you have responded to the Microsoft form with your child's full name and class, so that we can allocate them an appointment slot.

Music Lessons

As Covid-19 restrictions ease, we are now able to offer instrumental tuition in school for children in KS2. If your child would be interested in learning the guitar, drums or piano/keyboard, please email the school office. Instruments are available from school for children to practice on. Further details have been sent home via a letter which can be found on the school website. This is a fantastic opportunity for children in our school to learn a new instrument so please get in touch if you are interested.

Nursery

We now have two nursery sessions, a morning session which runs from 08:30 am – 11:30 am and an afternoon session which runs from 12:30 pm – 3:30 pm. Currently, we have places available in the afternoon Nursery session. If you or anyone you know of would be interested in taking up a place

The Headteacher is the designated person for all child protection issues

please contact the school office for more information. From September we would like to be able to offer a '30 hours' nursery provision, if there is sufficient demand. If this is something you would be interested in, or you know of someone who would benefit from this provision, please register your interest by emailing ap-enquiries@ipmat.co.uk.

Thank you for your continued support.

A handwritten signature in black ink, appearing to read 'K. Lea'.
