Mrs A.M. Stringwell

25th September 2020

Dear parents/carers,

We have reached the end of another busy week in school and I would like to thank you for your continued support in getting pupils back into school safely. As you will be aware, this week we have asked that all adults wear face coverings whilst on school grounds. This is to provide additional protection for staff and parents whilst children are being brought to and from school. Your support in this matter is very much appreciated. If you would like to talk to your class teacher before or after school please contact the school office who will arrange a convenient time for a telephone conversation.

Seesaw

New log in details for our online learning platform 'Seesaw' have been given to children this week. They have spent time during computing lessons getting familiar with the app again and weekly homework tasks will be posted on their class page on a Friday. In the event of any bubbles having to learn from home, lessons will be posted here by class teachers. A paper survey will be going home with children next week to help us understand what type of devices children have available to them, please take the time to fill this in and return it to your class teacher.

Breakfast Club

This week you should have received a link to a google form about breakfast club. As you are aware, our school is currently running on a 'bubble' system in order to minimise contact between different groups of children. This survey will allow us to assess whether we would be able to deliver this provision, whilst maintaining our bubble system.

Communication

Please be aware that our email address has now changed. If you need to contact the school office or your class teacher please email AP-Enquiries@ipmat.co.uk

Yours faithfully,

A handwritten signature in black ink that reads "K Lea".

Miss K. Lea

Acting Headteacher

The Headteacher is the designated person for all child protection issues
