Friday 26<sup>th</sup> March

Dear Parents and Carers,

What a fantastic way to end Spring term! Today has been filled with much egg-citement as all the children have taken part in our Easter Egg Hunt and shared their amazing entries for our decorated egg and Easter bonnet competition. There has been some absolutely fantastic work completed in school over the past three weeks and it has been lovely to look back at the brilliant progress children have made. They should be very proud of all their efforts!

## Parent Consultations

Parent consultations will be held on Wednesday 21<sup>st</sup> and Thursday 22<sup>nd</sup> April between 3:30pm and 6:00pm. In line with Covid restrictions, these appointments will be held via Microsoft Teams or via a telephone call. Details of how to book an appointment for your child will be shared on Monday 12<sup>th</sup> April.

## Nursery

After the Easter holiday we will be moving to two nursery sessions daily, a morning and an afternoon session. Currently, we have places available in the afternoon Nursery session. If you or anyone you know of would be interested in taking up a place please contact the school office for more information. From September we would like to be able to offer a '30 hours' nursery provision if there is sufficient demand. If this is something you would be interested in taking up, or you know of someone who would benefit from this provision, please register your interest by emailing [ap-enquiries@ipmat.co.uk](mailto:ap-enquiries@ipmat.co.uk).

## After School Sports Clubs

As lockdown restrictions ease, we are looking to the future and planning our after school sports clubs. A Microsoft form will be sent home to gauge if there is interest for this provision. Please take the time to fill out this survey, even if your child would not be interested in taking part, as this will help us to target our clubs most effectively.

## Comic Relief

A huge thank you to all the children and families who supported our fundraising efforts for Comic Relief. We raised a brilliant £321.65 to donate to this worthwhile charity.

## Holidays in term time

Children and staff have been working so hard to ensure that gaps from missed learning are quickly filled. As a result, it has never been more important to ensure that children are in school every day, ready to learn. We are aware that restrictions on some holidays are being eased on the week we return to school following the Easter break. Please can we urge parents not to take any term time holidays, so that children have the maximum time within school. These will not be authorised and could result in a fixed penalty fine.

Thank you to all our parents and families for their continued support this term. I hope you all have a restful and relaxing break and we look forward to seeing you all again on Monday 12<sup>th</sup> April.
