10th July 2020

Dear Parents, Carers and families,

We have reached the end of another successful week in school - with children, both in school and at home, showing us amazing examples of learning. There is a wealth of communication being prepared to send home next week to keep you informed about arrangements for September. The majority of our school communication will come via email in September, so please let the school office know if you think your contact details may have changed. Our school website, Twitter feed and new Facebook page are also valuable sources of information about school and will be kept up to date with the most recent updates.

Reports

Children's reports will be sent out next week, whilst our office team will endeavour to get all reports out as quickly as possible this process may take a couple of days, so please bear with us. If you have not received your child's report by Wednesday afternoon please call and let the school office know. We will not be asking that acknowledgement slips be sent back into school, however if you would like to discuss anything on your child's report please call or email the school office and we will arrange a telephone appointment with your child's class teacher. Details of your child's class and teacher next year will accompany reports.

Nursery and Reception

We are delighted that school will be open to all children in every year group from September. In order to help our youngest children have the best start to the new academic year and to help them settle in fully there will be a staggered opening of nursery and reception classes. Detailed invitations with your child's start date and time will be emailed to families next week. Please note, school is closed on the 3rd, 4th and 7th September. We look forward to welcoming children in other year groups back into school for the new academic year on Tuesday 8th September.

Staggered starts

In September we will continue to use staggered start times in order to minimise the number of adults and children on the school site at the beginning and end of the school day. Details of each classes' start and finish times will be published on our school website by Friday 17th July. I would like to thank our families for their support in following current start and finish times and maintaining the social distancing measures we have put in place. Your support is greatly appreciated!

Breakfast club

In line with recent government guidance, breakfast club will not reopen in September so that we can maintain pupil bubbles, this will be reviewed at October half term.

Yours faithfully,

A handwritten signature in black ink that reads 'K Lea'.

Miss K. Lea

Acting Headteacher

The Headteacher is the designated person for all child protection issues
