Ackton Pastures Primary Academy: Educational Visits Policy			
Headteacher	K Lea	Date	Feb 2022
Chair of Governing Body	B Riley	Date	

Introduction

The Governing Body of Ackton Pastures Primary Academy encourage educational visits as we believe they offer an invaluable opportunity to enrich young peoples' learning, raise their self-esteem, increase their motivation and appetite for learning and raise levels of achievement in many aspects of their life and education.

An educational visit could be a short-term visit in the local community, a day visit further afield, a visit lasting several days at a residential educational Centre or an educational visit involving overseas travel.

This policy should be considered in conjunction with the WMDC Health and Safety Handbook for Schools, in particular the section relating to educational visits.

As a Governing Body we will ensure that we comply with all the relevant local authority documentation before any educational visit is authorised.

We wish to work closely with the Academy Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.
