'Children at the heart; Inspiring futures'

Friday 29th April 2022

Dear Parents and Carers,

We have reached the end of another busy week in school. We have said a warm welcome to our new starters to Nursery who have been in to school to attend their 'Stars' sessions this week. Our current Nursery children had the opportunity to visit our Reception classroom and judging by the smiles and laughter that could be heard from outside the classroom they had a great time!

Our UKS2 children have continued to enjoy their swimming sessions as well as making the most of the sunshine and enjoying their athletics lessons as part of PE this week. The children have also been using their science knowledge to dissect flowers and investigate how plants reproduce.

It has been wonderful to see classes and children enjoying our newly refurbished reading garden at the centre of school. A huge thank you to the staff who gave up their Easter holiday to create such a special place for the children to enjoy in school!

The Headteacher is the designated person for all child protection issues

In the coming weeks we have lots of exciting educational visits planned. Please check book bags for letters that have been sent home with all the details.
