

## **SEN Information Report for Ackton Pastures Primary Academy – in accordance with section 65(3) of the Children and Families Act 2014.**

### **1) What kind of Special Educational Needs provision is accessible for children at Ackton Pastures Primary Academy?**

Ackton Pastures Primary Academy is a fully inclusive school, which ensures that all pupils achieve their potential; personally, socially, emotionally and academically in all areas of the curriculum regardless of their gender, ethnicity, social background, religion, physical ability or educational need. The school's provision map is outlined on the school's website.

### **2) How do we identify children who may have a SEN need?**

- Children entering our nursery are baselined according to the Early Years Framework and any needs are identified here.
- Pupil progress meetings are every half term from which we track and identify children who are not making expected national progress. Interventions/support programmes are then implemented and monitored to ensure that the child makes accelerated progress.
- Visually Impaired (VI) or Hearing Impaired (HI) children will be known to the school through Wakefield's Sensory Impairment Team. Those children attending the provision have specific assessments and targets set which are age appropriate.
- School holds termly Planning meetings with a member of the School's Advisory Team and our Trust's Educational Psychologist. These meetings allow staff to share any concerns that they have in agreement with the parent and a referral can be made.
